Authorize the Payroll Unit to deduct from my salary the following amount and to credit UNESCO STAFF UNION's account, in payment of my annual 2024 membership, which could be modified every year, according to the inherent revision of the membership fees, and at any moment in case of professional change (change of grade, type of contract, mutation, etc.). The annual amount of the membership remains due, even in the event of departure from the Organization during the year. I have noted that if I have benefited from a reduction in fees, the full rate will be applied to me from the following year. **My annual membership is tacitly renewed on 1st of January. Nevertheless, I keep the possibility of ending it by sending an email to the STU Secretariat before the 31st of October of every year.**
